Dear Parents/Carers,

Lost property

We are already collecting a large number of lost items – coats, jumpers, uniform etc. Please remind children to bring all of their belongings home each day! Thank you.

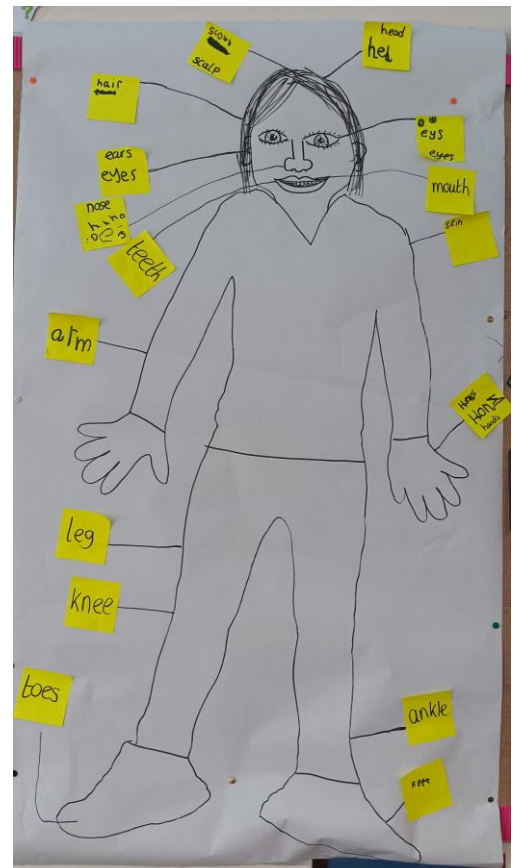

Year 6 Learning

Y6 used their problem solving and reasoning skills in a football maths activity. They were Cooperative Caterpillars, working together brilliantly to deduce the teams who played, the scores and the attendance for the football matches.

Year 4 Learning

This week in science, year 4 have been identifying and classifying. We worked in groups and shared our ideas about what makes something a liquid or solid. Most children thought that marmalade was a bit of both.

Year 1 Learning

Our science topic in year 1 this term is animals including humans. At the moment we are looking at the different scenes humans have. To start our topic we drew around Clodagh and then in pairs wrote a body part and labelled our class drawing.

Dear parent/carer,

Re: School-aged Flu Immunisation - Islington 2024

The school nursing team of Islington will be visiting your child's school on 17th October to carry out nasal flu immunisations (there is an option to choose porcine-free Injection). **Please complete an e-consent form for your child to be immunised against the Influenza virus.** This can be done by clicking the link: <https://ncl.schoolvaccination.uk/flu/2024/Islington>

Even if you do not wish for your child to have the vaccine, please complete the online form as a decline so that we can record your wishes and update your child's records.

For further information, please see the e-consent letter attached, and for further queries, please email: islington@v-uk.co.uk.
